ACTIVITIES

Co-Founder & CEO, ClockWork Technologies - Hybrid

May 2026- Present

- Built and shipped a payroll and attendance platform for India's informal employers: TypeScript monorepo on AWS, with a worker phone app in 9 Indian languages (<https://www.tryclockwork.app>).
- Engineered a dual-ledger model giving employers and employees identical, tamper-evident attendance and pay records, with unpaid gaps surfaced transparently.
- Drove development with AI agent tooling (Claude Code CLI, custom MCP servers, headless Playwright harnesses), including adversarial multi-agent test fleets that caught ~30 defects such as wage-calculation and session-isolation bugs.

Co-Founder, The Patang Story (FMCG brand) - Hybrid

May 2025- Present

- Co-Founded Patang, a regional snacks brand, building a consumer venture rooted in nostalgia.
- Drove sales of over \$110,000 USD (~₹1.1 Crore), overseeing distribution, retail partnerships, and direct-to-consumer channels while executing cultural storytelling campaigns for new SKU's.
- Led brand strategy and product development for festive campaigns (<https://thepatangstory.com/>).

Excel & Access Peer Tutor - Bloomington, IN
